

We have a lot of distress to overcome, and we have a lot of battles to fight. The goal has to be that we're not thrown off by restimulation. We can keep thinking and figure out what steps we take next.

Tim Jackins

Welcome to the April 2026 *Present Time*. Thank you to the many contributors! Pulling together this magazine is truly a collaborative effort. The publications team learns so much from the thoughts and stories of Co-Counselors from around the world. We hope you, too, learn and enjoy.

For the July 2026 *Present Time*, the deadline for receiving articles and poems is May 4. For changes to the lists on the back pages, the deadline is May 11.
