

Jay D - Five year plan

Organizations involved with:

Sierra Club (statewide (SC)

SAL

ECA – Elder Climate Action

Areas where I can develop action plans:

Jews and Climate issues – my own Congregation (LC)

Artists and Climate issues – City wide Open Studios group (OS)

artists in my city, artists in eastern part of my state,

Elders and Climate issues – Elder Support Group in RC, ECA, elders in my city and in the eastern part of my state.

**Year One:**

re-engage with ECA,

re-engage with SC,

Explore possibility of connecting with Third Act

continue to do support work for SAL generally and TUBIG specifically,

explore possibility of having a climate activism group at KB

explore possibility of having an artist climate group in Somerville

offer an optional group looking at climate issues for elders in dual RC areas: GM and JH

explore possibility of creating a group of elders concerned about climate in Somerville

personal: work towards making a greater % of my meals be vegetarian

**Year Three:**

Evaluate which of the above efforts are most effective, and of those do the following:

Continue to expand work at ECA

Continue to expand work at SCM

Expand the level and amount of work at SAL and TUBIG

Grow the climate group at LC

Grow the artist group in my city

Continue the work on elders and climate in the dual area elder SG

Grow the group of elders concerned about climate in my city and possibly expand to eastern portion of my state

Try to reach goal of 90% vegetarian meals in the house

Year 5

Continue efforts above that have been found effective

Explore new ways to work with Jews, artists and elders in as broad of a geographical area as possible
