### **In RC**

- As climate coordinator
  1. Lead monthly climate change support group
  2. Make sure there's an at least yearly workshop in the region
  3. Encourage others to organize discharge groups
  4. Encourage others to take leadership
  5. Have a WhatsApp/ Signal group where people can connect around the climate crisis
  6. Move people's thinking away from individual action (recycling, solar panels, electric car, etc) to group action (movements, direct action, etc)
- In my sessions
  1. Have at least one session a week be about the climate crisis
  2. Discharge grief, anger, discouragement, embarrassment, etc.

### **In the wide world**

1. Build a network of highschoolers across the city supporting each other around climate change
2. Go to the Sunrise training for the Student Takeover Project
3. Organize a climate activism training for highschoolers across the south
4. Keep dressing up as climate related costumes for Mardi Gras
5. Continue writing obsessively about the climate crisis, and trying to get more work about it published
6. Take any opportunities to act that come up
