

Welcome to the April 2025 *Present Time*. Thank you to the many contributors! This issue contains many important articles that are helpful to our collective re-emergence—community building, leadership, counseling practice ideas, and ending the oppressions of antisemitism and classism.

Many heartfelt appreciations to Katie Kauffman who retired recently. Katie managed and edited *Present Time* since the early 1970s. Her contributions to other RC literature are numerous. She will continue to be active with RC. Appreciations of Katie may be sent to publications@rc.org.

For the July 2025 *Present Time*, the deadline for receiving articles and poems is May 12. For changes to the back pages lists, the deadline is May 5.
